

## DynaMAX Custom Label Specification

Mobile or Countertop Secure Card Reader Authenticator

Secured by the MagneSafe™ Security Architecture

### DEVICE DIAGRAM

### CUSTOM LABEL

Create a custom label for your DynaMAX inventories. Please ensure your artwork meets the following criteria:

#### SIZE

Size without bleed: 3.24x0.755"

Size with bleed: 3.49x1.005"

#### ARTWORK FORMAT

Please provide your artwork as either Vector artwork or photoready.

VECTOR ARTWORK (AI, EPS)

All colors are called out as Pantone colors

All text is set to outlines

All images are embedded

PHOTOREADY ARTWORK (JPG, TIF)

CMYK color system

CMYK artwork cannot be color matched

All layers are flattened and merged

## ARTWORK AT 100%
