

tDynamo (Gen II) Secure Card Reader Authenticator for Mobile Point of Sale with uniVERSE Clip

MAKE ACCEPTING MOBILE PAYMENTS MORE SECURE THAN EVER.

In partnership with Otterbox®, a privately-owned consumer electronics accessory company based in Fort Collins, Colorado that produces water-resistant, shock-resistant, and drop-resistant cases for mobile devices, MagTek has engineered the tDynamo (Gen II) uniVERSE Clip. The MagTek uniVERSE Clip is made to take advantage of Otterbox cases using the uniVERSE Clip, making it easier to have swappable modules for your needs.

READY FOR FAST MOBILE ENVIRONMENTS

However you accept payments, tDynamo (Gen II) secure card reader authenticator allows you to bring your point of sale wherever you need to go. It is the perfect solution for deliveries, curbside pickup, pay-at-the-table, and so much more.

SIMPLE AND SECURE ATTACHMENT

The clip securely attaches to the tDynamo (Gen II) (part number 21079858). Then simply slides into place on any OtterBox case using the uniVERSE clip.

Make it easier to accept mobile POS transactions with MagTek mPOS tDynamo with uniVerse clip

COUNTERTOP AND MOBILE FLEXIBILITY

tDynamo with uniVERSE Clip makes it easier for merchants to swap between different tablets and smart devices for everything from delivery to pay-at-the-table. Additionally, tDynamo has an optional mountable stand for secured countertop payment acceptance, where the tDynamo simply snaps out to transition to line-busting mobile payments, making it ideal if merchants need added flexibility.

ACCEPT MORE PAYMENT TYPES

Now you can accept everything from classic plastic to mobile wallets and just about everything in between while attached to the mobile host device. tDynamo (Gen II) delivers acceptance for magnetic stripe, EMV chip card, EMV contactless, and NFC contactless (including mobile wallets by Apple® Pay, Samsung® Pay, Google Pay™).

WIDE VARIETY OF COMPATIBLE DEVICES

The uniVerse clip is made for a wide variety of sizes and brands of tablets and smart phones including Samsung, Galaxy®, Pixel®, and Apple devices.

SIMPLE CONNECTION

tDynamo (Gen II) connects via USB or Bluetooth® LE, making it the perfect solution for Windows®, Android®, or iOS™ compatible smartphones, tablets, and devices.

CLIP AND DEVICE

Clip designed to allow for access to the micro-USB port on the side of the tDynamo (Gen II).

CLIP WITHOUT DEVICE

MAGTEK®

The OtterBox name and OtterBox trademarks are the property of Otter Products, LLC, registered in the U.S. and other countries. EMV® is a registered trademark in the U.S. and other countries and an unregistered trademark elsewhere. The EMV trademark is owned by EMVCo, LLC. The Contactless Indicator mark, consisting of four graduating arcs, is a trademark owned by and used with permission of EMVCo, LLC. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by MagTek is under license.

Founded in 1972, MagTek is a leading manufacturer of electronic systems for the reliable issuance, reading, transmission and security of cards, barcodes, checks, PINs and identification documents. Leading with innovation and engineering excellence, MagTek is known for quality and dependability. Its products include secure card reader/authenticators, Quantum secure cards, token generators, EMV contact, contactless, barcode and NFC reading devices, encrypting check scanners, PIN pads and distributed credential personalization systems for secure magstripe and EMV enabled cards. These products are used worldwide by financial institutions, retailers, payment processors, and ISVs to provide secure and efficient data privacy, as well as payment and identification transactions. Today, MagTek continues to innovate. Its MagneSafe® Security Architecture leverages strong encryption, secure tokenization, dynamic card authentication, and device/host validation enabling users to assess the trustworthiness of credentials and terminals used for on-line identification, payment processing, and high-value electronic transactions. MagTek is headquartered in Seal Beach, CA.
