KEY ADVANTAGES

Increase Footprint

Take your mobile POS to outdoor tents, sidewalks, the sales floor, parking lot events and more. Mobility gives your sales team a larger footprint to engage with more customers.

Ease of Expansion

Mobile POS devices are lower cost than traditional checkout and payment options, allowing faster implementation of additional stores with minimal investment.

Increase Conversions

Increase sales and personalize service by assisting customers with product details information, availability and delivery dates during face-to-face interactions.

Portable

Fatigue can quickly become a factor during the workday. Our mobile POS devices are equipped with an easy carry briefcase handle and back hand strap for a safe and comfortable grip.
