MOBILE PAYMENTS SOLUTIONS

Pioneer Square Brands (PSB) is the parent company of Brenthaven, Gumdrop, TechShell, and VAULT. Founded in Seattle's historic Pioneer Square neighborhood, our brands design, manufacture, test and certify rugged cases and accessories for mobile technology devices. Our products reduce damage to the mobile devices that schools and businesses depend upon to transform how we learn and work.

MOBILE POS

CONNECT is an all-in-one solution that sets out to solve many of the issues plaguing mobile tablet devices. Designed with agility in mind, Connect supports a wide range of tablet and payment devices, while providing power on-the-go using VAULT's hot swappable battery. No matter your industry, Connect is ready to meet your demands.

At VAULT, we specialize in enterprise-ready hardware that enables mobile experiences at scale. Our US-designed products include tablet and phone enclosures, stands, and power management for iOS and Android-based solutions.

Our designs and innovation provide retailers and restaurants with seamless commerce and payment experiences, resulting in a strong ROI and elevated customer loyalty through rewarding in-store experiences.
