Across the GoWork Pro and Pro Stand lineup.

## WHAT SETS VAULT APART

Ask us about VAULT cable-free charging, and:

- Tableside Ordering
- Curbside Delivery
- Mobile Point-of-Sale
- Self Check-in & Checkout

## MOBILE PAYMENTS SOLUTIONS

Specialized in enterprise-ready hardware that enables mobile experiences at scale. Our US-designed products include tablet and phone enclosures, stands, and power management for iOS and Android-based solutions. Our designs and innovation provide retailers and restaurants with seamless commerce and payment experiences, resulting in a strong ROI and elevated customer loyalty through rewarding in-store experiences.

### GoWork Pro

VAULT GoWork Pro is an all-in-one mobile workstation designed to support secure, flexible tablet deployments. Built for high-traffic environments, GoWork Pro integrates device protection, power, and support for MagTek payment readers into a single, streamlined solution.

Designed for mobility and scale, GoWork Pro supports iOS devices and MagTek payment readers to protect Apple devices while integrating payments, extending power, and streamlining workflows. With enterprise-grade construction, backup battery, and integrated payment-reader mounting, GoWork Pro keeps teams productive and devices ready—supporting managed workflows and reliable operations at scale.

### CONNECT

An all-in-one solution that sets out to solve many of the issues plaguing mobile tablet devices. Designed with agility in mind, CONNECT supports a wide range of tablet and payment devices, and provides power on-the-go via VAULT hot swappable battery.

### About VAULT

Pioneer Square Brands (PSB) is the parent company of Brenthaven, Gumdrop, TechShell, and VAULT. Founded in Seattle's historic Pioneer Square neighborhood, our brands design, manufacture, test and certify rugged cases and accessories for mobile technology devices. Our products reduce damage to the mobile devices that schools and businesses depend upon to transform how we learn and work.
